FoodTech Kerala is being organized from **October 9-11, 2026** at Cochin and will be the 17th Edition of this premier event in Kerala.

It is the premier trade fair and a 'must not miss' exhibition for all organizations involved in food processing and packaging sector to showcase their products and services. Various concurrent sessions are also being planned out to be held along with **FoodTech Kerala**. The 3 day expo will showcase broad spectrum of technology, equipments, solutions for food processing dairy, beverage, food retailing, refrigeration & cold, chain, processed foods, hygienic & healthy foods, packaging etc.

The Ministry of Food Processing Industries, Government of India in partnership with Government of Kerala is implementing the **Pradhan Manthi Formalization of Micro Food Processing Enterprises(PMFME)** scheme to provide financial technical and business support to new and existing micro food processing enterprises in Kerala.

The Department of Industries & Commerce, Government of Kerala is the State Nodal Department for the implementation of PMFME scheme in Kerala. The state has more than 6500 PMFME Beneficiaries who have availed financial assistance under PMFME scheme. The expo is being organized as an initiative to provide marketing support to PMFME beneficiaries from Kerala and to create a awareness among the target audience and public at large about the PMFME Scheme. The exhibition will showcase variety of food & allied products being processed by PMFME beneficiaries across the state.
